Charter Function update:

- An activity grid / spreadsheet has been produced detailing the activities and responsibilities over the Charter period. (Since emailed to members)
- This was discussed in detail at the meeting
- No alcohol at the actual Charter Function as RFDS base is a dry area.
- Price is \$25 per head – cash on the day please
- Russ Higginbotham suggested we plant an e-Tree as commemoration of our Charter event – possibly at RFDS?
- Peter Fitz reported that publicity preparation has already occurred with photos being taken and a President's media kit put together
- There will be plenty of free time other than Charter Day and opportunities to make up at the RC of Broken Hill on the Monday night if anyone is interested.
- Bring books for a "Book Swap" too
- What about a Charter Cake? – Greg has organised with Jenny Adams.

Fund Raising at Charter:

- Any members who may have Cash Boxes or Tins – please bring these to BH
- Loose change jar on-going for whole period
- Raffle on Charter Day. Each member to bring a wrapped gift to value of \$20 (mystery prizes) (2 x \$10 gifts is OK where we have husband & wife Rotarian couples)
- A 100 Number Board @ \$2 ticket will be run as often as possible
- There will be a "Trading Table" of surplus caravan/camping gear (caravan park garage sale)

- Bacon and Egg Muffin breakfasts for all caravan park patrons (members bring toasters)
- Morning Tea for \$2 head for our members (and maybe others too? Decide later.)
- John Clements to take back empty bottles and cans to SA for refund – no wine bottles)
- A record to be kept of all Rotarian expenditure on this muster so as this info can be available for future muster get togethers
- We need Rotary Aprons and Hi-Vis Vests for our work

NEXT NOMAD MUSTER:

- Gympie Music Muster most popular choice and will now be investigated further
- The Festival costs \$700 per couple for 4 days or \$90 each per day. (This does include a camp/RV site, but it might be better to be off site away from the hustle & bustle.)
- An off-site park (<http://standown.com.au/>) looks very good - \$20 per night!
