We were presented with an outstanding travel talk from Rotarian John Williams who after 45 years of working life packed up and has travelled all over Australia and in the last 8 months has had an extensive tour of the UK with taking in Wales, Scotland and all England has to offer. They caught up with their daughter in the UK and it they are countries of many people ,tourists, fast moving traffic with at least three terror actions while on their trip not the least being the Bourough Markets. A very well presented talk and I am sure we can hear a lot more of the adventures of his Australin trips at a later date Well done John General Business
President John gave us another highlight with the Presentation of Paul Harris Fellow awards to Barry and Lee Tait. What a surprise with Camilla on hand to carry out the handing over of the badge and certificates and a very humble response from both Barry and Lee who have given outstanding service to their community over a long period of time.
