BEHIND THE BADGE: WAYNE

What an interesting life you have had Wayne. You have certainly done many interesting things. We enjoyed listening to you.

It is always good to learn a little more about our members through *Behind the Badge*. Thank you Wayne.

Potential member: Jim Barbie is interested in our club and spoke a little about himself and the club he is in now - Jimboomba, where he has been a Rotarian for 5 years. Jim said that he would like to help out at Jimboomba if they needed help and Greg said that we would help out if they have any functions where they need help.

President Greg gave a good speech about his time as Chairman and then as President. He spoke about what has been achieved and how much he has enjoyed it. He thanked everyone for their help and support especially in the rough time we have just had, but also over his whole time as chairman and president. Greg wished Geoff well with his time as our new President and will support him with any help he needs.

REFLECTIONS OF THE LAST TWO YEARS

Geoff thanked Greg for his time as chairman and President and also Robin Bailey for the great effort he and Annette have put in with Robin as Fundraising Director.

We discussed some things that you thought were good over the last 2 years and Barry said he was very happy with how he was received and thanked everyone for making them so welcome.

Mary and Lorelle loved meeting everyone in person and it was worth travelling to catch up with everyone and helping out other clubs. I think everyone probably agreed with them.

Don was interested to know where everyone is at the moment so Geoff did a bit of a roll call to find out.

Everyone spoke about the fantastic camaraderie and friendships. The fun we have when we all get together at our musters. It was great to hear.

Geoff spoke about our Changeover in Berri next year and hope that with plenty of notice we will have a huge group there.

Russ H spoke about the great job Greg has done in his two years leading the club, and what a great role it has been, and with his strength of leadership for the Nomads to get them where they are.

Joker's Wild
