Evening Speaker—Don gave an address listing many matters that he sees as important for our Nation to address, acknowledging that what happens in Australia has little impact elsewhere in the World, but World events can and do impact on Australia.

He highlighted that one of the best things that has happened in Australian communities has been the introduction of women into Rotary giving meaning to the expression 'The Rotary Family'.

Report on the Millmerran Camp Oven Festival was given by Geoff who highlighted the number of our members and friends who made the 200 K trip west to work in various roles such as parking, cleaning showers, toilets. There were 1,100 RV's with 4,500 visitors so it was a pretty big show. As always Members enjoyed each other's company during Fellowship time and at the end of the week were presented with a cheque for \$3,400 !!! An outstanding effort.

Don reported that our aprons are now ready for distribution and the photo presented was well received and this will allow our presence at fund raising working bees to be seen by all with whom we come in contact with and will make people aware of who we are and what we do.

The Thomas Fun Run for Kids at Emerald has been postponed this weekend due to the rain and transferred to Nov 27, but as we have already a commitment on this date we may be unable to assist?

The Joker was not located again in spite of Barry Tait And John Clements being drawn so it jackpots until next meeting.
